

Jerusalem 23/3/1938.

The District Commissioner,  
Jerusalem District.

Sir,

I have the honour to submit the following incident which I consider a trespass on the STATUS-CUO in the Church of The Holy Sepulchre .

The Arminians have started repair within the above mentioned church in the Grotto of the Cross without any right to do without our consent.

As you are aware that on present circumstances do not allow us to enter into litigation prevent such an act, and we are therefore appealing to your protection and support and humbly applying for an order to stop any such repairs and investigate the matter in any manner you may find fit and just.

Hoping that our application will meet with your support and help and requesting that you may kindly treat this matter as urgent.

If there are any urgent repairs we request that the British Government may make same on our behalf.

I have the honour to be  
Sir  
Your obedient servant.

The Superior of the Abyssinian Convent  
Jerusalem.
