No. 21

Sir,

I have the honour to report that Azmi Bey, the newly-appointed Governor of Palestine, arrived in this City on the 4th. instant. His Excellency, who speaks no other language than Turkish, was, I understand, previously employed as the Chief of a Department in the Ministry of Police.

During the period between the departure of Subhi Bey and the arrival of Azmi Bey, Abdurrahim Pacha, Military Commandant, was Acting Civil Governor. In my dealings with him I always met with unflinching courtesy and all possible facilities in the transaction of business.

In this connection I should mention that it is rumoured on apparently good grounds, that this Mutessarifat will shortly be raised to a Vilayet. In this case the districts of Nablous and Kerak would be attached to Jerusalem and Jaffa would be raised to a Mutessarifat.

I have the honour to be,

Sir,

With the greatest respect,

Your Excellency's

Most obedient, humble Servant,

*Ar. Satow.*

Excellency,

The Right Honourable,

Sir G. Lowther, K.C.M.G., C.B.,

Constantinople.
