

address a letter to the Embassy requesting them to kindly bring our case to a final settlement, so that the long expected order from the S. Porte to the Gov. here sh^d cause no further delay.

I am &c.

Jerusalem
7th September 1893

Council (Dickson)
to
Sir Arthur Nicolson

Governor of Jerusalem insists upon removal of sign board from over the room of Young Men's Christian Association situated in Christian quarter of town and of which the bishop is patron. The sign board has been up for nearly two years and only contains the word Young Men's Christian Association in English and Arabic. Please instruct if I am to comply. Reporting following by post.
